A: Try this... var \$this = \$("#div_piedra"); \$(".tabs-nav li").on("click", function(e) { \$this.find(".content").hide(); \$(".content_"+this.data("content")).show(); \$('li').removeClass('active'); \$(this).addClass('active'); }); Q: Is there a way to get a call history of a call made through App Store and

Message App? I've made a phone call from App Store and I want to check the history of the calls I made. Is there a way to get this through the App Store, Message App or call app.

A: It is currently not possible to get call history from Apple's built-in messaging apps. Apple has declined to respond to this specific question via a public communication channel.

CAREER GOALS:I would like to be a successful golfer and help people.

HOBBIES:I enjoy playing golf in any weather 6d1f23a050
